Name _____

Read the passage. Then follow the directions.

My grandma has an amazing garden in her backyard! She plants all kinds of things. You will find rose bushes, tulips, and daffodils over in one area of the garden. It smells so good when you walk by! In another section, you can look at all of the vegetables. My favorites are the carrots and bell peppers. I take a bowl with me and pick things for us to add to a salad. I can spend all day out there!

Circle the best title for this story.
The Garden
My Grandma

Circle the vegetables you can find in the garden.
Underline two types of flowers in the garden.
Write a better word for *good*.
Circle a synonym for *fantastic*.

Rearrange the words to write a similar sentence.
The rabbit hopped quickly through the fence.

Write the superlative form of the adjective.

grand	bold	dark
grandest		

Create addition problems for each place value.

284 + _____ = 17 + 261

Name _____

Use the verb and adverb in a complete sentence.
crawled - slowly

Write the missing letters.

Underline the sentence with the correct quotation marks.

"It's time for dinner," yelled Dad.
Saul cried, "I'm not tired!"
"It's time for dinner", yelled Dad.
Saul "cried I'm not tired!"

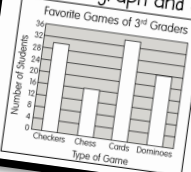

Write four words that belong in each category.

zoo animals	transportation
_____	_____

Draw coins and show two ways to make each amount.
Example: 15¢ (10 5) and (5 5 5)

22¢ 31¢

Read the graph and answer the questions.

- Which game was chosen the least?
- Which game was chosen the most?
- How many more chose cards than chess?
- How many students voted in all?

Name _____

Use the verb and adverb in a complete sentence.
danced - happily

Write the missing letters.

Underline the sentence with the correct quotation marks.

"I can't go with you", Kerry said.
"I can't go with you," Kerry said.
Jimmy exclaimed, "No!"
"Jimmy exclaimed No!"

Write four words that belong in each category.

summer	fruit
_____	_____

Name _____

Read the passage. Then follow the directions.

Insects are everywhere. There are many kinds, but all insects have three body parts and a hard outer shell called an exoskeleton. The three body parts are the head, thorax, and abdomen. All insects have antennae connected to the head and six legs connected to the thorax. Some insects have wings connected to the thorax and can fly. The study of insects is called entomology.

Is this fiction or nonfiction?
How do you know?
List the body parts of an insect.

Underline the sentence with the correct quotation marks.

Kim "replied, I'll be right there."
Kim replied, "I'll be right there."
"Will you put that away?" I asked.
"Will you put that away I asked."

Write four words that belong in each category.

winter	recess
_____	_____

Regroup to add.

$\begin{array}{r} 585 \\ + 127 \\ \hline \end{array}$	$\begin{array}{r} 179 \\ + 743 \\ \hline \end{array}$	$\begin{array}{r} 356 \\ + 276 \\ \hline \end{array}$
-------------------------------------------------------	-------------------------------------------------------	-------------------------------------------------------

Write the tool needed to measure each item.

weight of meat at a grocery store	the length of a poster	how fast someone can run	flour for a batch of cookies
stopwatch	yardstick	cup	

Name _____

Read the passage. Then follow the directions.

Sarah takes my cousin and me to the jungle gym. We pack a picnic of turkey, grapes, and apples. First, we play on the swings. We swing down the slide a million times! I

What do they do after they go on the jungle gym?
About how many times do you think they *actually* go down the slide?
What does *tradition* mean?

Rearrange the words to write a similar sentence.
The fluffy cat peeked out the window.

Write the comparative and superlative form of the adjective.

long	happy
